HAPPY DINING!

There may be just one thing around here that we all can agree on. In greater Harrisburg, we have some terrific restaurants.

Over the last 10 or 15 years, the dining scene has gone from humdrum to red-hot. So, each May, we're delighted to present "Midstate Table," our annual section featuring some of the area's best restaurants.

We hope that, through this section, you'll see something that sounds tempting and looks delicious—and then venture out and try it. In fact, this summer, make a vow to break out of your rut and visit a new place.
