

A vibrant watercolor illustration of a plant. The central focus is a cluster of large, green, oval-shaped leaves with prominent veins. Interspersed among the leaves are several flowers. One large flower on the right is a deep purple with long, thin, blue stamens. Another flower below it is a bright red with yellow and red striped patterns. A smaller red flower is visible near the bottom center. The background is a mix of soft purple, blue, and yellow washes, suggesting a bright, sunny environment. The overall style is expressive and artistic.
